VILLA MARCONI LONG TERM CARE CENTRE
ADMINISTRATOR NEWSLETTER

June 24, 2017

Dear residents, family members and friends,

I hope this letter finds you in excellent health.

We are happy to report that numerous special activities were held in the last few weeks. On May 30, a total of 61 residents and 4 visitors enjoyed freshly cooked lobster during our Lobster Festival. The event was such a success that numerous residents asked for a second and third portions of lobster. On June 8, 61 residents and 60 visitors attended St-Anthony's Feast in the Marconi Centre. We want to thank the Italian Week Committee for organizing and offering this event to our dear residents. On May 17, 11 residents had the pleasure of driving nearby the Tulip festival area. On May 26, the residents from one home area had the chance to enjoy a spaghetti traditional meal. Residents from the other home areas will have the same opportunity during the summer.

All of these events are made possible because of the generosity and dedication of our volunteers. For this reason, we will honour and recognize our volunteers during the Annual Volunteer Recognition event which will be held on June 27.

On a different note, please be aware that Dr. Randeep Gill has decided to leave Villa Marconi. A few months ago, Dr. Gill informed us that he was moving to another senior position in the medical field. On behalf of all residents, family and staff members of Villa Marconi, we are taking this opportunity to thank him for his expertise, dedication and contribution to the well-being of our residents. We are also happy to inform you that Dr. Claude Beaulieu, our Medical Director, was able to recruit a new Attending Physician to fill this vacant position. Dr. Gray O'Byrne has agreed to become our new Attending Physician. Dr. O'Byrne has gained several years of experience working as an Attending Physician and Medical Director in a long-term care home environment. Please join us in welcoming Dr. O'Byrne to our Home.

In closing, we hope that you will enjoy a great summer!

Yours truly,

Gaetan Grondin, Administrator
